1.0 INTRODUCTION

1.1 STRUCTURE

This CRE helps you to understand the structure of the language instinctively, by inserting English into the Spanish phrases, to identify the meaning of key Spanish words. There is also a brief note on Grammar, a listing of the 100 most used words in conversation, a daily mini-phrasebook and a brief English-Spanish/Fench/German Dictionary.

1.2 MEMORY

A simple technique for the memory of unuual sounds, is to make up a ridiculous English phrase as a memory "trigger", sometimes shouting:

Thank you ... gracias ... say ...
... thank you ... I'M SO GGGGGRATEFUL ... gracias ... gracias ...

What are you called ... como se llama? .. say ...
... what are you called ... COME ON SAY YAMA ... como se llama ...

Goodbye ... adios ... say ...
... goodbye ... ADD YOUR HORSE ... adios ... adios ...

or email robertboland@wanadoo.fr for our CRE 33 MemoryAlert.

1.3 PRACTICE.

Learn very rapidly the "100 most used words" and each day, take one section of a phrase-book, to make 10 minutes of Dari conversation with a natural speaker ... or aloud with yourself!

1.4 INSTINCTIVE COMMUNICATION

Read everything aloud with a beautiful accent and strong emotions! Begin to repeat each phrase a second time from memory ... not just reading. Have fun "speed reading" to exercise the throat. Make an audio tape of the phrase-book with spaces for repeat or response and play it back to yourself, speaking very loud! Play the CRE tape as you begin to sleep at night. Speak with total body language (eyes, face, arms etc.), to express meaning. Talk to everybody. Be happy and positive and be sure ... to expect some good news ... every day!

DEDICATION

This program is dedicated to the memory of Professor Kenneth Hale, the eminent linguist of MIT who died on October 8th 2001.

He spoke about 50 languages fluently and regarded each language as an intellectual treasure-house of communication, culture and humanitarian values.

He suggested ... that 30 minutes of a new language ... should be enough to start to make one-self understood ... and then ... the best way ... to progress ... was to speak ... confidently ... more and more ... with natural speakers of the language ...

So on we go ... for one whole day ... with a partner or small group ... speaking and speaking ... and moving ... face, hands and body language to reinforce your communication ... and ending with ... almost instinctive ... easy inter-active conversation ... in the natural language ... and if you are lucky enough to find ... ANY natural speaker for the day ... to be a partner ... or just part of the small group ... that would be just great ... so start chatting now ...!!

Hallo	Hola

etc. etc. ... questions an answers ... with laughter ... so on we go ... together

INSTANT RELAXATION TECHNIQUE

1. This a simple useful CRE technique to give you confidence to learn naturally. If you don't believe you can learn ... you won't learn! ... If you are tense, an-xious and stressed ... you won't learn! If you have no confidence ... you won't learn. But with instant relaxation, your mind and body become clear, confident and ready to learn. So do the exercise now ... and again before every CRE session. It takes only three minutes, and with practice, it becomes a powerful tool for you. The only "equipment" you need is an "open mind" and a marble (or similar small object) in your "right" (major) hand.

2. So, get into that comfortable position, in which you know ... you really can relax. Be aware that marble gets warm as it absorbs heat from contact with your right hand. Open you hand and allow the warmth to evaporate. Close the hand again, and recognize the marble ... as a physical external symbol ... of the internal function of your mind and body. Allow it to receive and evaporate not just heat ... but emotion, anxiety and stress ... leaving you free, relaxed, confident and ready to learn.

3. Now, relax with the hands on the lap, and fix your eyes on the marble as you repeat aloud ... the following sentence ... four times, feeling free to change the wording a little ... to fit your style ... four times ... aloud ... in all:

"I AM, I CAN, I WILL, I BELIEVE ... I WILL LEARN TO SPEAK AND ENJOY THE LANGUAGE WITH A BEAUTIFUL ACCENT ... NATURALLY ... RAPIDLY ... AND EASILY ... WITHOUT EFFORT"

4. With the eyes fixed on the marble ... or closed if you wish ... start to take three slow and very deep breaths ... and be sure to pause ... on each inhalation *... and imagine ... each exhalation ... as evaporating all the anxiety and stress from your mind and body ... through the marble in your hand.

5. After the third breath, let your whole mind and body relax completely for two minutes ... thinking ONLY of your breathing ... nothing else ... no self talk at all ... just concentrate on the BREATHING ... very important.

6. Then bring yourself back, by simply counting up from 1 to 5, feeling well, relaxed, confident and ready to learn. The marble is now your very personal symbol ... of your confidence to learn and speak the natural language with a beautiful accent.

Note: This simple CRE "Instant Relaxation Technique" can be used anywhere (eyes open or closed) to achieve a calm mind ... without anger, anxiety or stress ... ready and confident to learn .. or deal with any new problem ... that you face.

NATURAL LEARNING SUGGESTIONS

Plan to do the whole CRE in one 6 hour CRE day, with a partner or a small group. A natural speaker (if available) would be most welcome as a partner or group member. On the day before, as pre-learning (alone), play the 30 minute tape three times, before sleeping, speaking all the time, completely relaxed making no conscious effort to learn anything. Practice gentle relaxation many times.

Make the language part of you (mind and body) as you speak, sing, shout, whisper without any effort at all.

ABSORB ... the new natural language ... both consciously and sub-consciously ... as part of you ... intuitively ... instinctively ... without effort ... as you relax with IRT and tell yourself: "Yes, I can do it!!!"... " I will do it!!!" - very important!!

Our suggested learning schedule ... alone or better with a fun partner, for the 6 hour CRE day (with wine breaks as needed) is:

- 1 - Briefly review the whole text. Do the IRT. Then record sections 2-15 in Spanish at high speed - to establish your starting position - just for fun!
2. - Then play and repeat EVERY WORD with the audio tape !!! Make it fun!!! Hear, speak, shout, whisper, with so many different emotions as you MOVE YOUR WHOLE BODY ... and ABSORB the language. Laugh at yourself and make it all fun! Review the Basic Glossary of just 2 pages.
3. - Do Sections 2-4 to understand every word! Play the tape with the text SPEAK VERY LOUDLY. SING AND SHOUT ANY DIFFICULT PHRASES. Review the Grammar (1 page) and the Basic Glossary.
- 4 - Do Sections 5-10 in the same way. Repeat the Throat exercise. Begin to create simple conversation with the mini-phrase book (Hello etc.).
- 5 - Do Sections 11-16 in the same way. Then play the tape WITHOUT the text, speaking with three different voices: sad, happy and very angry!!!
6. - Do the quiz (1 page). Create conversation with mini phrase book. Do SPEED READING (2-16) and the mini-phrase book. FAST!!! ALL IN ONLY 14 minutes. Explore and ABSORB the appendices>
7. - Repeat another day. Explore www.crelearning.com for other Spanish learning materials. Do APS and plan for review next week with a Spanish partner. Amaze yourself !!! You can do it!!!

NATURAL SUGGESTIONS (continued)

Generally:

1. REINFORCE the learning in the CAR/TRUCK at any time ... make it an

amusing THEATRE of one ... YOU!!! ... by playing and acting out ... ONLY Sections 2 - 16. DO NOT play the relaxation sections in the car ... skip them please! Play the Learning Reinforcement side of the tape as needed for encouragement, be sure to blame your strategy, and not yourself!!

2. RECOGNIZE that a TERRIBLE accent is PAINFUL ... for the hearer ... and so strive always for a beautiful accent in EVERY WORD.

3. Be POSITIVE and NEVER apologise for your language ... you are making the effort to learn the LANGUAGE ... and the HUMAN VALUES ... and thus the CULTURE ... of the people you speak with ... and THEY will appreciate MORE than you can EVEN imagine!! If they reply to you in ENGLISH ... then YOU just CONTINUE to speak in the NATURAL new language ... and they will too ...

4. LISTEN very carefully to what PEOPLE say to YOU ... and BEFORE replying ... REPEAT in YOUR MIND ... EXACTLY what they said ... this gives you excellent PRACTICE in recognising good STRUCTURE.

5. HESITATE before you SPEAK ... and then speak FREELY and CONFIDENTLY ... without long pauses and ... WITHOUT ... "Urrs and Umms" which are so ANNOYING and BORING ... for the listener ...

6. When you do not know a necessary word ... do NOT hesitate ... simply USE the ENGLISH word ... in the sentence ... the hearer will almost certainly give you the translation ... and you can repeat it ... three times to get it right ... without embarrassment. Use the LEARNING REINFORCMENT as needed but not in the car!

7. Use SIMPLE SHORT sentences and be CONFIDENT as you begin to talk to people ... expect SUCCESS ... and you will NOT be disappointed ... and try just one MORE new thing ... just for fun in this one week .. drink one litre of WATER EVERY DAY ... it rinses mind and body and has a REMARKABLE preventive/curative therapeutic effect ... to support new learning ... on we go together.

1. GENTLE RELAXATION ...

And now ... I'd like you to arrange yourself ... in a position that is so comfortable ... and natural ... for you ... so that you can sit ... or lie ... for a while ... easily and effortlessly ... and where you can be comfortable ... and yet still remain alert enough ... to focus on the meaningful ... natural language learning ... that we will do together ... natural language ... gentle ... quiet ... peaceful ... and instinctive ... without any effort ... as you absorb its deepest meaning ... interpretation ... and value ... in terms of very personal expectations.

And then when you are ready ... to focus yourself ... you can begin by taking a few deep relaxing breaths ... breathing slowly ... and feeling the rise of your chest ... as you gradually inhale ... feeling that each breath in ... and out ... relaxes you ... calms you ... and re-acquaints you ... with deeper parts of yourself that you are sometimes too busy to notice.

You know ... and I know ... its very easy ... to get caught up in day to day living ... there is so much to do ... and now is your time ... and I would like you to allow your eyes to close ... as you start to build ... an internal focus ... within yourself ... on those parts of yourself... that will absorb the natural language ... gently ... peacefully ... and instinctively ... almost automatically ... as you ... let yourself go ... relax ... without conscious effort ... because you have nothing ... to do ... now ... except relax ..

And as we go on together ... repeating the phrases ... in the natural language ... with your whole body involved ... moving hands and face ... feelings and body ... to express ... and absorb the words and phrases ... as they will come ... instinctively ... to your mind ... as you speak softly ... with a beautiful accent ... yes ... with a beautiful accent ... which will please and surprise you... as it fits the music ... of the natural language

So on we go together ... speaking all the time ... and moving hands, face feelings and body ... to express ourselves ... in the new natural language (no English please) ... as you create new wave patterns ... in that special... "Spanish place" in your mind ...

Just naturally ... in your own way ... as part of you ... instinctively ... as that new part of you ... grows ... stronger and stronger ... you will begin to speak with a beautiful accent ... so easily ... reinforcing your learning ... with a gentle quiet confidence ... which will surprise you ... and such a beautiful accent ... of which you will be proud ... to fit the music of the natural language ... will surprise you even more ... and more ... as you repeat the CRE ... so that ... in every day ... in every way ... you get ... better and better ...

And now as you choose ... to do something ... that makes you feel so comfortable with yourself ... something you will feel more and more ... able to do ... so that you feel ... even more comfortable ... and confident ... naturally ... in your own way ... you can take whatever time you need ... just to process your thoughts ... in your own special way ... and to bring this experience to a comfortable close ...

You will feel well ... and you will begin ... to feel confident ... about the future ... and about making progress ... in the natural language ... in your own natural way ... and you will find such joy ... in speaking so gently ... with growing confidence ... and experience ... which will add ... a new exciting quality to your life ... because ... with every new language you learn ... you do add a new quality to your life ... in that special ... "Spanish Place " on your mind ...

And when you feel ... you are ready ... and you want to ... you can start the process of reorienting yourself ... bringing yourself back ... taking your time ... and when you are ready ... you can fully orient yourself ... and allow your eyes to open ... feeling well ...and happy ... because ... and you will begin to experience confidence ... more and more ... because ... from now ... in every day ... in every way ... you will ... be getting ... better and better ...

And as we end of each CRE session ... 30 minutes has just flashed by ... to be repeated ... and enjoyed ... many times ... relaxed ... calm and confident ... of achieving a beautiful accent ... that becomes natural for you ... with learning that is efficient and effective ... so from now on ... be positive ... and with a positive expectation of success ... surprise yourself ... as you feel the continual support ... our Team ... whjich began in Bayonne, France ... August 15, 2001 ... and of course ... as in all our things ... we do ... as ever ... wish you ... God Bless ...

**APPENDIX D - BROCHURE - CRE - CREATIVE RELAXATION EXERCISE
THE NATURAL WAY TO PLAY WITH LANGUAGE WITH A BEAUTIFUL ACCENT AND
A 30 MINUTE AUDIO TAPE IN ONE DAY**

KEY CONCEPT: "WHEN you create new POSITIVE wave patterns in YOUR mind they give you the CONFIDENCE to RELAX and LEARN naturally without EFFORT"

Opportunity for AID WORKERS on short or long missions to other countries to feel more secure, comfortable and effective in achieving better working relationships in English, with local companies, governments, refugees, client and project staff, as they perceive the effort to speak the local language with a good accent, and thus to show clearly a deep respect for local values and culture.

Description: dynamic English-based brief language learning system developed initially with some UN staff, for aid workers in Afghanistan, and now available in: Zulu, Dari, Pashto, Uzbek, Tajik, Turkmen, English, French, German, Spanish, Portuguese, Hindi, Urdu, Finnish, Arabic, Indonesian, Malay, Shona, Russian, Mandarin, Xhosa and with other languages in process: Cantonese, Tswana, Sutu, Swedish, Nepali, Italian, Swahili, Basque, etc.

Designed for: mature motivated learners who need to achieve very rapidly, the personal confidence to speak and understand, basics of the local natural language. Designed also also for current speakers to who want to achieve significant accent improvement.

Course duration: one full six hour day with a partner or small group, followed by daily brief individual revision, in the following week and one day reinforcement a month later.

Application: individual training or as a small part of any management training program to stimulate creativity, because: "Each language is an intellectual treasure-house of communication, culture and humanitarian values" - Professor Kenneth Hale - linguistics expert of MIT who spoke 50 languages fluently and died October 8th 2001.

Method: uses CRE techniques to achieve relaxation and intuitive absorption of the natural language with confidence and without stress or effort. Designed to handle varying individual value systems and needs. CRE techniques, once acquired, can be easily used for any other languages or dialects. Uses IRT - the Instant Relaxation Technique create the confidence to learn.

APPENDIX G - APS - LEARNING REINFORCEMENT AUTONOMIC PLAYBACK SYSTEM

- 1. Make a special 30 minute APS audio tape recording of all the material that you want to absorb into your long term memory, as follows:**
 - a. Speak with gentle persuasive tone. This encourages perception and retention without effort.**
 - b. Speak only for about 8 seconds ... pause for about 4 seconds ... continue for about 8 seconds ... pause 4 seconds etc. This gives your mind time to absorb easily without stress,**
 - c. Add seven key learning points which were important to you! Thus provides "associations" in your mind for the new learning.**
- 2. The NEXT DAY, relax and playback the tape (using ear phones) while watching some interesting TV show WITHOUT audio e.g. a football match or other a sports event or a cartoon. Make NO EFFORT to listen to the tape. In fact, TELL yourself NOT to listen, but just to relax and gently give all attention to the TV show. Relax and let your mind absorb the data WITHOUT ANY CONSCIOUS EFFORT at all.**
- 3. Play this once more.**
- 4. Finally on the FOLLOWING DAY, do IRT (relax), and playback the tape (with ear phones) while gently viewing and repeating the text material (hear, see, say and feel).**
- 5. Adapt APS to your special needs and personality. Use it for any new material that you want to absorb without stress or effort. And please remember to email feedback and new creative ideas to our Team at: robertboland@wanadoo.fr. So, and from now on - relax and remember!!**
